

Bildungsgesellschaft mbH Pritzwalk

Opportunities. Education. Future.

Jörg Ahlgrimm
Geschäftsführer

Pritzwalk

114 employees
1930 heads

About Us

- Regional-oriented education company since 1991 in the field of vocational training for young people and adults
- *Basis of success:*
 - -High professional competence and motivation of the employees
 - -Excellent technical equipment
 - -Transparent and trusting cooperation with regional and national partners
- Integration into regional networks and cooperation with companies

Our Philosophy

We teach from young to old

First step

introduce children in primary school age playfully to artisanal activities

Second step

discovering opportunities on the road to successful vocational training

Third and fourth step

Initial vocational training and further education

Offers for seniors and leisure

Initial vocational training

is an offer for companies that cannot train themselves because they do not have the staff or the technical equipment

For the following professions we can offer this service:

- Tool Mechanic
- Industrial mechanic
- Construction Mechanic
- Machine and Plant Guide

Some advantages for companies

- Support for training
- Higher training Quality
- Financial support for training

PraeLab-prevention against training abortions

- a programme of the University of the Federal Employment Agency
- exclusive offer for cooperation companies

The idea:

to reduce training abortions by establishing an "early warning system"

The approach:

Identify training loss risk more quickly

The way:

Offer effective advisory and support measures
